Unique Yachting Experience: Noblesse Yachts Offers Participation at the 37th America's Cup and Puig Vela Clàssica in Barcelona

Barcelona, Spain, December 2023 - Noblesse Yachts, a leading provider of exclusive yachting experiences, invites you to an unparalleled week in the Mediterranean.

During the Puig Vela Clàssica, set for the 4th to the 7th of September 2024, Noblesse Yachts offers a week of adventure aboard the historic yacht Hallowe'en. Guests will enjoy the blend of a classic regatta's charm and the excitement of the 37th America's Cup, both taking place simultaneously in the waters off Barcelona.

The America's Cup is renowned as the oldest and most prestigious sailing competition. Only the best teams from around the world will deliver breathtaking races off the Costa Brava for the glorious trophy. Established in 1851, the Cup returns to European waters for only the second time, showcasing a week of nautical flair and glamour, supported by a budget of around 86 million euros.

Adi Konstatzky, the founder and CEO of Noblesse Yachts, expresses his excitement: „The 37th America's Cup and Puig Vela Clàssica in Barcelona are the epitome of our passion for the sea and sailing in its most authentic form. Barcelona becomes a stage where classic yachts and modern, high-tech racers come together in a breathtaking display. We're honoured to offer our guests an exclusive chance to be part of this maritime celebration.“

The event is a celebration of sailing history and innovation. Guests will have the unique opportunity to actively participate in sailing the classic yacht Hallowe'en, which dates back to 1926. The yacht's prime mooring spot in the heart of the Race Village guarantees an immersive maritime experience. Moreover, local hotels are just a short stroll away from the hub of activities. Noblesse Yachts provides flexible options: guests may choose to join for select days or the entire week, with the exclusive option to charter Hallowe'en in its entirety.
